Message from the Commanding General

As Commanding General of Marine Corps Air Station Cherry Point, I am continually impressed with the unparalleled level of community support and the strong regional economic interface that connects this Air Station to our neighbors throughout eastern North Carolina. MCAS Cherry Point and its tenant commands play a vital role in the training and readiness of our operating forces while contributing significantly to the economy of our state and the surrounding area. It is also the portal through which our warriors pass on their way to and from the serious business of combating our nation's enemies. We are successful because of the cooperative spirit and boundless support of our local communities.

I believe that our strong partnership will continue to accommodate meaningful progress and economic expansion in the years to come. During Fiscal Year 2004, North Carolina companies were awarded contracts in excess of **\$21 million**. Salaries for Fiscal Year 2005 are expected to surpass **\$945 million**. Overall, we estimate our total economic impact to the state of North Carolina will exceed **\$1.1 billion**.

The information contained in this brochure is intended to help government officials, business leaders, civic organizations and local citizens plan for the future. I appreciate your dynamic support of the Air Station and remain committed to the vibrant, collaborative relationship we have formed. You have proven time and again that the Marines and Sailors of Cherry Point are *your* Marines and Sailors, too. We look forward to working with you and strengthening our partnership as we strive to achieve our common goals.

C. S. PATTON
BRIGADIER GENERAL, U.S. MARINE CORPS
